# SPEAKSCRAFT SPEAKING SKILLS

*Comprehensive 4-in-1 Communication  
Classes and Workshops*

## OUR PROGRAM

Communication Skills, similar to other skill sets, can only be enhanced through practice, dedication, and exposure to various scenarios and genres. Our classes aim to immerse students in creative activities and exercises to help them develop their presentation skills and discover their unique speaking style on their path to true proficiency.

## OUR AIM

To empower, energize, and instill self-confidence in students on their journey of becoming confident communicators.

## 4-IN-1?

Public Speaking

Creative Writing

Debating

Drama

## CONTENT

Activities in our classes and Holiday Workshops include:

- Body Language, including eye contact and expression
- Impromptu Speeches
- Voice modulation: Pace and Tone
- Group Discussions
- Mock Debates
- Storytelling
- Expressive Reading

IF YOU CAN'T  
COMMUNICATE AND  
TALK TO PEOPLE AND  
GET ACROSS YOUR  
IDEAS, YOU'RE GIVING  
UP YOUR POTENTIAL.

# HOLISTIC LEARNING

In the fast-paced modern world; it's widely accepted that students who are lacking in communication skills will be disadvantaged as they leave school.

While we concede, our goal is to support each student in their own journey of personal confidence. To broaden their horizons, and expose them to further creative engagement.

Our classes complement the academic learning that takes place at schools and has helped shy kids grow into confident communicators

## SCHOOL TESTIMONIAL

*Talent Club has become an integral part of the extra-curricular activities our school has to offer students. Students and parents alike appreciate what Talent Club Aus has to offer with their 4-in-1 communication program.*

*I highly recommend Talent Club to any school wanting to inspire and build confidence in their students through a fun and interactive program*

## DIRECTOR PROFILE

Drawing upon a background in Human Resources and over thirty years of expertise in Leadership Development, Dee has discovered her true passion in empowering individuals to communicate with confidence and authenticity. Her primary objective was to create a dynamic coaching program tailored for students, aimed at unlocking their full potential. Talented Australian School Graduates/Uni students who are prolific communicators are our Coaches deliver the program focusing on a combination of verbal and non-verbal techniques to encourage interactive learning.

## OUR COACHES >

We have a diverse group of highly talented and professional coaches who are passionate about empowering students and enhancing their communication skills. They are enthusiastic about creating an interactive safe space where they can facilitate group and individual development.

- All coaches have a valid Working with Children Check.
- All Coaches undergo frequent coach development/training days.
- Are part of a dynamic coach team that support and inspires each other

## PARENT TESTIMONIAL

*"Great quality teaching, highly recommended for anyone who wants to bring their kids communication and public speaking skills to the next level. Engaged my kid in online classes and he has absolutely enjoyed the lessons!"*  
*David (father)*

## PARTNERING WITH PARENTS

We consider parents to be our learning partners in supporting their child's development of communication skills. The way parents communicate at home can impact a child's personal perception and self-esteem. Some ways we communicate with the parents include:

- Partnering with Parents Information Nights
- End of Term Feedback Sheet and Coach Reports.
- Quarterly Newsletters
